Established 2003

We meet every first Thursday at the Alachua County Elder Care Senior Recreation Center, 5701 NW 34th Boulevard in Gainesville from 9:30a.m. to noon.

Every meeting offers a new program, show & tell of members' quilts and projects, and many learning and networking opportunities. After the meeting, many of us go out to lunch at a local restaurant to prolong the fun. Meetings are open to all interested quilters of ALL skill levels. We celebrate our guild birthday in August and winter holidays in December. Dues are \$25 per year.

OUR BEES ARE VERY BUSY! A "bee" is a group of quilters who focus their attention on a particular aspect of quilting. They're a great place to jump in, start learning and get to know other members. Bees enable quilters to explore new or expanded areas of the craft, provide tips and demonstrations of techniques, and offer great camaraderie and lots of encouragement.
