**DESCRIPTION:** This quilt is expandable, but the class project is 42" x 50"

12 center blocks, 6-1/2 inches square – they can be fussy cut, 4 patches, 9 patches, 16 patches, whatever you desire, but **MUST** be 6-1/2 in squares

12 strips of background fabric cut into 12 strips 2" x WOF (width of fabric)

12 strips of a print (either one print or several coordinating prints), each cut 2" x WOF of prints

5 matching strips of a print for the border, cut 2" by WOF

It is important to have your 6 1/2 inch squares AND both the background & print 2 inch x WOF strips, all cut and ready to go. Otherwise it will be difficult to get the top done in the allotted time.

**PRE-CLASS PREP:** It is critical that your 6½" squares, AND both the background & print 2½" x WOF strips are ALL cut and ready to go – you will not get the top done in the allotted time otherwise.
