**SKILL LEVEL: Confident Beginner**

**FEE: \$10 (pattern only)  
OR \$35 for pattern and  
precut batting**

*I will have the pattern and precut batting for you to purchase before the class. Your cost will be my cost, nothing more. If you don't want the precut batting on a roll, you can purchase just the pattern.*

**We will be making the small rug, which is half a jelly roll or 20 strips**

**DESCRIPTION:**

**SUPPLIES:**

**(20) strips of fabric 2.5" wide x 42" long**

**If you cut your own batting, use 100% cotton and cut your strips 2.25" wide (not 2.5", the same width as the fabric, because it will be too bulky and not work).**

**Also, if cutting your own batting, make sure to use Heat Press Batting Together to form one long continuous strip.**

**Walking foot**

**Pressing sheet (if you don't have one, there will be one available in class)**

**Thread to match or contrast with your fabric**

**3 PREWOUND bobbins**

**5 to 10 small Wonder Clips**

**MUST-HAVE: JEAN SEWING MACHINE NEEDLE size 14-18 VERY IMPORTANT – you'll be sewing through several layers of material**

**Best Press (or starch of your choice)**
