

**CLASS TITLE:** JELLY ROLL BUSTER QUILT ~56"x64" **DAY/TIME:** TUE morning

**INSTRUCTOR:** Marwin Smith 352-331-6528

**SKILL LEVEL:** Confident Beginner

**NO FEE**

**DESCRIPTION:**

**SUPPLIES:** *My sample quilt used (1) 40-count jelly roll; since I was able to get one more unit cut per strip set, and therefore created (9) more blocks. I also mixed up the strip pairings creating more diversity among the blocks. With the 49 blocks from one jelly roll, the sample quilt measures 49"x56".*

For the 56"x64" quilt shown in the photo, gather (64) 2.5" x WOF strips for the project

**PRE-CLASS PREP:**

Arrange your strips into clusters of four with contrast in color or density of color
