SUPPLIES:

1 ½ yard fabric (This can be quilting weight or light home dec weight fabric. Remember you have to pull a needle with tufting thread thru ALL the layers of fabric and batting!)

Extra loft batting: 3 pieces 20x36 (you can use 2 layers of the extra loft batting and one layer of 1 inch thick foam like for cushions. I believe Walmart and JoAnn sell this in either in a roll or in a box, but I think it is 18x72, so maybe if you want this extra support, you could share with a buddy.

Elastic 1 inch x 12 inches.

1 skein of embroidery floss for tufting

1 large eye, sharp needle for tufting
