

QACDG 2020 Day Camp February 13, Thursday, 9:30 am - noon
The Family Church, 2022 SW 122 St., Gainesville

Teacher: Anna Rasmussen 352-281-6342 email amfr52@gmail.com

Pentagon Box

Make a 5" pentagon shaped box with separate lid using a stiff fusible interfacing

Supply list:

Sewing machine that does zigzag/satin stitch.

Topstitch needle 80/12 or 90/14

Regular sewing accessories needed.

2 fabrics – ½ yard of each fabric.

1/2 yard Stiff fusible interfacing (Pellon 71 F is good or whatever you like to use)

About 2 yards fusible web (Pellon wonder under)

Coordinating thread- cotton or polyester not rayon, also white thread to sew stiff interfacing together.

Cording for edges 1/16 poly cording, light weight cotton knitting yarn, size 3 Coates and Clark Speed Cro-Sheen, or house hold string. Nothing with fuzzy fibers. Will be used under satin stitch.

Open toed sewing foot so you can see where needle is going. If you have a cording foot that can be used but is not necessary.
